

Draft Script for Consider Climate, Manitoba Canvassing (pre-Oct. 3 election)

Introduce yourself, and note that you're canvassing with the Consider Climate, Manitoba campaign

Let them know that we're looking for Manitobans who believe that climate should be considered in all decisions that our government is making, and ask if this is something they believe.

If no: say thank you for your time and move on

If yes: Ask if you can note their support so we can share it with leaders of Manitoba's provincial parties

Note their support on the canvas tracking sheet (gather postal code and name)

Let them know that leading up to the election we've asked each political party about their climate commitments - let them know they can find the answers to these questions on our website (which can be found in the brochure).

Other possible things to add depending on their interest:

- Ways to get involved
- Ask if they want a lawn sign
- Encourage them to reach out to candidates running in their riding
